MindUP™ Parent Workshop - Milwaukee College Prep

Want to know what's up with MindUP™? Has your scholar been talking about their amygdala and prefrontal cortex, or practicing mindful breathing in the backseat of your car? This is all part of our MindUP™ Curriculum. Join us for an interactive workshop where you will learn about the MindUP™ curriculum and be given tools and tips on how to integrate MindUP™ into your home and family life. For Parents, MindUP™ provides new techniques to better cope with and manage the challenges of work/life stress. MindUP™ also helps parents build healthy relationships between siblings, their children and the community, and finally, between their children and themselves.

The workshop will be held on:
Thursday, February 7th, 2019 from 4:30pm - 5:30pm

Winter Weather

If Milwaukee Public Schools closes due to bad weather, Milwaukee College Prep is closed. Listen to the radio or television for the announcement of the closing of MPS. In the event that weather conditions make travel to school hazardous and unsafe, but MPS does not close, it is recommended that parents use their discretion in bringing their child/ren to school. Once the school day has started, school will not be canceled early in the event that weather conditions become bad during the day. In these cases, it is up to the parents to decide if they want to pick their children up early.

Winter Recess

If the outdoor temperature is below 18 degrees F with the wind chill, scholars will be staying inside for recess. However, if the temperature permits, we will be sending scholars outside for recess, even on cold snowy days. Please make sure your child has the appropriate cold weather attire, such as hats, mittens, gloves, boots and a winter jacket. Thank you!
