Commitment

Our word this year is commitment. The definition of commitment is the state or quality of being dedicated to a cause, activity, etc. We are committed to having the best school year ever! We will continue to be committed throughout the year to ensure we are living our mission of knowledge plus character pave the road to college and beyond.

As we approach the end of the year, we would like to take this opportunity to celebrate our scholars, families, and staff. It is because of the **commitment**, love, and hard work that you all put in everyday that we earned the distinction of being a 5 - Star school!

Take this break to relax and spend quality time with friends and family, you earned it. Can't wait to see you in 2019 - ready to show the city that we are **MCPStrong!**

Winter Weather

If Milwaukee Public Schools closes due to bad weather, Milwaukee College Prep is closed. Listen to the radio or television for the announcement of the closing of MPS. In the event that weather conditions make travel to school hazardous and unsafe, but MPS does not close, it is recommended that parents use their discretion in bringing their child/ren to school. Once the school day has started, school will not be canceled early in the event that weather conditions become bad during the day. In these cases, it is up to the parents to decide if they want to pick their children up early.

Winter Recess

If the outdoor temperature is below 18 degrees F with the wind chill, scholars will be staying inside for recess. However, if the temperature permits, we will be sending scholars outside for recess, even on cold snowy days. Please make sure your child has the appropriate cold weather attire, such as hats, mittens, gloves, boots and a winter jacket. Thank you!
