Commitment

Our word this year is commitment. The definition of commitment is the state or quality of being dedicated to a cause, activity, etc. We are committed to having the best school year ever! We will continue to be committed throughout the year to ensure we are living our mission of knowledge plus character pave the road to college and beyond.

Re-enrollment has ENDED- If you have not turned in your re enrollment packet please contact the main office immediately.

*****YOU MUST RE-ENROLL YOUR SCHOLAR TO SAVE A SEAT FOR NEXT SCHOOL YEAR.**

School Updates

Wow! Last week I missed seeing all of our scholars. I am glad everyone was able to stay warm and safe. With all the time off a few things came up and we wanted to address them.

Make up Days:

Many families are wondering if we are making up the days we missed. After calculating our instructional hours, currently we **do not** need to make up any days. If an unexpected day off occurs again we will have to add a day.

Attendance:

A couple of those cold and snowy days have hurt our attendance. Our goal is 96% and right now we are at 95.82! Please make sure to have your scholars come to school every day!!

Next Week:

I will be out next week at the Standards Institute in Los Angeles. Ms. Peterson will be the acting principal while I am out. I will miss all of you, but will be back with hugs and sunshine on Tuesday, February 19th.

Love,
Ms. Olson

You're Invited
MindUP™ Parent Workshop - Milwaukee College Prep

Want to know what's up with MindUP™? Has your scholar been talking about their amygdala and prefrontal cortex, or practicing mindful breathing in the backseat of your car? This is all part of our MindUP™ Curriculum. Join us for an interactive workshop where you will learn about the MindUP™ curriculum and be given tools and tips on how to integrate MindUP™ into your home and family life. For Parents, MindUP™ provides new techniques to better cope with and manage the challenges of work/life stress. MindUP™ also helps parents build healthy relationships between siblings, their children and the community, and finally, between their children and themselves.

The workshop will be held on:
Thursday, February 7th, 2019 from 4:30pm - 5:30pm
and will take place **in the Library**

Greetings Scholars and
Parents/Guardians,

We are starting the Kids Heart Challenge in PE for the month of February. We will be learning how to strengthen our heart and make healthy choices in PE class through jump roping and health lessons.

We will also be raising money for the American Heart Association. This money goes towards funding new research of the prevention of heart disease. Each scholar will receive an envelope that they may collect money and turn back in to Mr. Wright or their teacher by February 28th.

Thank you in advance for your support!

-Mr. Wright

Winter Weather

If Milwaukee Public Schools closes due to bad weather, Milwaukee College Prep is closed. Listen to the radio or television for the announcement of the closing of MPS. In the event that weather conditions make travel to school hazardous and unsafe, but MPS does not close, it is recommended that parents use their discretion in bringing their child/ren to school. Once the school day has started, school will not be canceled early in the event that weather conditions become bad during the day. In these cases, it is up to the parents to decide if they want to pick their children up early.

Winter Recess

If the outdoor temperature is below 18 degrees F with the wind chill, scholars will be staying inside for recess. However, if the temperature permits, we will be sending scholars outside for recess, even on cold snowy days. Please make sure your child has the appropriate cold weather attire, such as hats, mittens, gloves, boots and a winter jacket. Thank you!
