**VISITOR PASS
REQUIRED**

Visitors

Milwaukee College Prep always welcomes and encourages visitors, to our school. However, in order to assure the safety and well-being of all students and staff, all visitors - including parents and guardians - are required to sign-in with the receptionist in the main office to receive a green visitors pass. This pass should be displayed visably on your clothing.

If you are walking in the following procedure will now be followed:

- The main doors will be locked from **3:00 until 3:30**.
If you are picking up between 3:00 and 3:30 you will need to make arrangements with the main office **prior** to the end of the day.
- Beginning at 3:30 you can pick your child up from the back playground.
Each homeroom teacher will have a sign-out binder.
- We are not allowing scholars to leave because a parent sends a text message.
If you would like your child to meet you outside, they will need to be

signed out as a walker or you will need to pick up from the back playground.

We understand that new procedures can take a longer time, however the safety of our scholars and our staff is our primary concern, therefore we are working to find the most effective way to approach school safety. If you have questions, please contact Ms. Hagel (Director of Operations) or Ms. Olson (Principal).

Winter Weather

If Milwaukee Public Schools closes due to bad weather, Milwaukee College Prep is closed. Listen to the radio or television for the announcement of the closing of MPS. In the event that weather conditions make travel to school hazardous and unsafe, but MPS does not close, it is recommended that parents use their discretion in bringing their child/ren to school. Once the school day has started, school will not be canceled early in the event that weather conditions become bad during the day. In these cases, it is up to the parents to decide if they want to pick their children up early.

Winter Recess

If the outdoor temperature is below 18 degrees F with the wind chill, scholars will be staying inside for recess. However, if the temperature permits, we will be sending scholars outside for recess, even on cold snowy days. Please make sure your child has the appropriate cold weather attire, such as hats, mittens, gloves, boots and a winter jacket. Thank you!
