Commitment

Our word this year is commitment. The definition of commitment is the state or quality of being dedicated to a cause, activity, etc. We are committed to having the best school year ever! We will continue to be committed throughout the year to ensure we are living our mission of knowledge plus character pave the road to college and beyond.

3rd Quarter Parent-Teacher Conferences are this week.

These conferences are by request. Teachers sent home a conference form last Thursday which indicated whether a conference is being requested. The form will allow you to check the date and time which works best for you during that week. Please communicate any questions you may have with your child's homeroom teacher.

Middle School scholars may have requests from teachers who are not homeroom teachers. Please make sure to communicate with the teacher requesting the conference.

If a conference is not requested by the teacher but you would like to still have a conference, there is a place on the form allowing you to check that you are making the request. We would love to meet with each of you!

As a reminder, if a teacher requests a conference this is a mandatory meeting. If the meeting is missed and no attempt to reschedule is made, the scholar will be held out of class until a conference is rescheduled.

If you have questions, please feel free to call your child's teacher. We look forward

to seeing many of you this week and creating the best plans for an amazing fourth quarter!

Note: If you don't have a requested conference or are not requesting a conference, you can pick your child's 3rd Quarter Report Card up in the office beginning **today. Report cards are not mailed home.**

Report Cards

*Parents that come to PT conferences will receive them from teacher.

*Report cards will be available for parents to pick up in main office on April 30th

Staff Appreciation Week **May 6th through May 10th** **Ideas for the Week**

Here are a few ideas to celebrate all of the hard work our teachers do every day. Pick one or none, but just remember to say thank you for being such a great teacher!

Monday:

Teachers treasure personal notes from their students. Here are some sentence starters to share with your kids:

You're extra special because...

Thank you for...

I love how you...

This year you've taught me...

Tuesday:

Teachers work so hard with our scholars and love to have a little something to brighten their day. Give them a compliment, a hug or your favorite cheer to celebrate all of their hard work.

Wednesday:

Teachers treat our scholars so sweet. Give them a little something sweet as appreciation for all of their hard work. They love little sweet treats.

Thursday:

Teachers cherish the year they spend with your scholar. Give them a picture of your scholar for a keepsake to remember.

Friday:

Bring some Spring to our teachers, by giving a flower or plant.

MCP - 38th St Skate Night

MCP-38th St

Family Skate Night

Monday, May 13th 6:00-8:30

@ Butler Skateland

\$6.00 to get in and includes rental.

Reminder:

K4 is almost 90% full across the networks. A few openings remain. Spread the word and enroll ASAP.

Coin Drive

Big things come in small packages - it's true! Every gift matters. Pennies add up to dollars, and dollars add up to pay for care and find cures. Together, when we join together, we can make a Coin Drive for Children's Hospital of Wisconsin!

Beginning Wednesday, May 1 - Friday, May 31 we will be participating in a coin drive to support children with health needs. We would like scholars to bring in coins to help their class raise money for children who need additional love and support!
