Commitment

Our word this year is commitment. The definition of commitment is the state or quality of being dedicated to a cause, activity, etc. We are committed to having the best school year ever! We will continue to be committed throughout the year to ensure we are living our mission of knowledge plus character pave the road to college and beyond.

New dismissal time for 2019-2020 school year

After much consideration and input, we have decided to change dismissal time to **3:10 pm** next year. While we recognize that change can be hard, please know that every decision we make is intentional and with your children's best interest in mind. The primary driver for this decision is to provide teachers and staff with professional development after the school day is over rather than interrupting teaching, causing less disruption to the school day. MCP's school day is 30-40 minutes longer right now than most schools so this change still leaves us with ample instructional minutes each day.

We will continue to provide after-school camp immediately after 3:10 dismissal at the same cost, \$3.50 per hour per child. Those arrangements can be made directly with your campus admin at the beginning of the school year.

If you have any questions or concerns, please do not hesitate to contact Robert Rauh, CEO, at Robert.Rauh@MilwCollegePrep.com.

All outstanding books will be charged to your

account as a lost book on June 5th.

School Information
