

## **To Donors who wish their donation to be in the form of securities to Milwaukee College Prep School.**

First, determine if your brokerage account is located at the same firm as the Milwaukee College Prep School Account at CHARLES SCHWAB.

**If it is**, simply phone your broker representative and ask that they transfer the securities to our account number as listed below.

**If it is not**, then you will need to ask your broker representative for the format they require for authorization to transfer the securities. It is usually a specific form or letter indicating your desire to donate to us in the vehicle of the securities.

Below is the transfer information:

### **Charles Schwab**

M.C. Preparatory School of Wisconsin, Inc. dba  
Milwaukee College Prep School (MCPS) Account  
# 4185-6711 DTCC is 016 Code 40

It is helpful if your broker representative is able to email us when the transfer is initiated. Thank you very much for your gift to support Milwaukee College Prep School. If you have any questions, please do not hesitate to contact:
